Hi Jay,

I entered another 15 suspension on this case. Unfortunately, it has been taking upper management a bit longer to get through reviewing recommendations. Feel free to get in touch if you have any questions. Otherwise, I will let you know once we have approval from senior management.

Best,
Bethany

Hi Jay,

Entering another 15 day suspension to get us through the holiday while we wait for the recommendation from upper management. I will be out of the office the rest of this week, but feel free to get in touch next week if you have any questions about the status of your case.

Have a great 4th!

Bethany
